

## Delete An Incomplete DP-EZ FIAP- 129

1. Go to Form FZADPEZ.
2. Click the Create New Or Edit In Process DP-EZ icon.
3. On the toolbar, select the Enter Query icon (or F7).
4. Enter the DZ number in the DP-EZ Code\* field OR mouse click in the DPI# field and enter that number.
5. On the toolbar, select Execute Query (or F8).
6. On the toolbar, select Record. Choose Remove from the dropdown list.
